

# Ahmed Raza

## Full Stack Developer & Pentester

Gujranwala, Pakistan | +92 341 5941505 | ahmedsial295@gmail.com | LinkedIn | [Portfolio](#) |

Aspiring cybersecurity and web development professional with hands-on experience in penetration testing, bug bounty hunting, and building secure, efficient web applications. Skilled in identifying vulnerabilities, coding, and adapting quickly to new technologies.

### Professional Experience

BUG BOUNTY HUNTER | HACKERONE | OCTOBER 2021 – MAY 2023

- Discovered and responsibly reported multiple critical and high-severity vulnerabilities on HackerOne, contributing to the security of major web applications and earning recognition through bounties and swag. Collaborated with product owners to refine backlogs and streamline delivery timelines
- Developed and refined penetration testing skills by analyzing web applications, understanding attack vectors, and applying ethical hacking methodologies to identify security gaps.

WEB DEVELOPER | FREELANCING | NOVEMBER 2024 – PRESENT

- Built responsive and dynamic web applications using Modern Technologies.
- Optimized website performance, implemented interactive features, and ensured cross-browser compatibility.
- Built dynamic web applications while continuously learning new technologies and improving coding skills.
